 LINKÖPING UNIVERSITY  
 Janne Heikkilä,  
 UNIVERSITY OF OULU  
 Bjarne Ersbøll,  
 TECHNICAL UNIVERSITY OF DENMARK

The conference is organized under the auspices of the Norwegian Society for Image Processing and Pattern Recognition (NOBIM)

SCIA 2009 is sponsored by

The International Association for Pattern Recognition

Following the long line of Scandinavian Conferences on Image Analysis the 16th in the series is to take place in Oslo, Norway on June 15-18, 2009.

The conference invites paper submissions presenting original work within a range of topics related to digital images:

The 11th International Symposium on Multispectral Colour Science (MCS'09) is collocated with SCIA 2009

**Paper submission**

All submissions will be handled electronically. Submission instructions will be posted on the conference website [www.scia2009.org](http://www.scia2009.org). All submissions will be reviewed by at least two anonymous reviewers. Papers will be accepted for oral or for poster presentation. Submissions (as well as accepted papers) are limited to 10 pages.

**Important dates**

- Submission of electronic abstract: *December 7, 2008*
  - Submission of full paper: *December 14, 2008*
  - Notification of acceptance: *February 22, 2009*
  - Camera-ready paper: *March 8, 2009*
  - Registration for paper presenters: *March 14, 2009*
- No further extension of deadlines will be given.**

**Tutorials and workshops**

In addition to scientific program tutorials, workshops and industrial exhibitions will be arranged. Monday June 15 is tutorial day.
